

Yolanda McCrary, United Women of Color Board Secretary

Goals & Aspirations

- Helping educate women/children excel in life with the proper tools
- Completing the Master's Degree Program at WGU for Cybersecurity & Information Assurance (currently enrolled)
- Staying grounded during the unforeseen curveballs that are thrown my way
- One of my greatest professional achievements was completing my Bachelor's degree in Computer Science at Athens State University while raising two wonderful sons as a young single mother.

Quirky Fact: A pet peeve of mine is when people pop/smack on chewing gum/food. This drives me stir-crazy.
